*Y*our choice of a new Peugeot 205 has already set you apart from other drivers on the road. To give your Peugeot that personal touch, we have an exclusive range of accessories.

Accessories to add sporty performance to a car that was crafted out of a rally bred tradition, such as the sports steering wheel or alloy wheels. Enhance your driving life style on the open road with ski-racks and towbars. Protect from wear and tear through the years with hard wearing carpets or mats.

With its sporty styling, comfortable interior and advanced engineering driving a Peugeot 205 is a unique experience

By adding accessories from our specially developed range you can make your Peugeot 205 as individual as you.
